Memberships are valid for one year from purchase and are renewable annually.

Did you know you may be able to **double your membership contribution** with no cost to you? You can and it's easy to do! Many employers will match your current membership contribution. The matching gift does not change your membership level, but the additional gift is a huge help to The Walt Disney Family Museum. Contact your employer's Human Resources department directly to find out if your company has a matching gifts program.
