ABOUT THE MUSEUM

The Walt Disney Family Museum presents the fascinating story and achievements of Walt Disney, the man who raised animation to the level of fine art, transformed the film industry, tirelessly pursued innovation, and created a global yet distinctively American legacy. Opened in October 2009, the 40,000 square foot facility features the newest technology along with a vast collection of historic materials and artifacts to bring Disney's achievements to life, myriad interactive galleries presenting early drawings and animation, movies, music, listening stations, a spectacular model of Disneyland and much more. The museum is a 501(c)(3) nonprofit organization located in the scenic Presidio of San Francisco.

The Walt Disney Family Museum has created many world-class exhibitions, such as *Disney and Dalí: Architects of the Imagination*; *MAGIC, COLOR, FLAIR: the world of Mary Blair*; and *Water to Paper, Paint to Sky: The Art of Tyrus Wong*,

several of which have traveled to other museums around the world. The most recent, *Wish Upon a Star: The Art of Pinocchio*, is the fifteenth exhibition originated by museum since 2012.
